

# A Revolution in Horse Bedding

The latest innovation in horse bedding made from straw pellets.

Mark Kavanagh - Trainer of the 2009 Melbourne Cup winner. *"STREUFEX ensured Shocking could perform at his best!"*

## Healthy & Vibrant Horses

- > Kind on the animal – creates soft cushioned bedding
- > Insulating - protects from cold and dampness
- > Protects from dry & cracked hoofs
- > Significantly reduces harmful dust
- > Includes organic fly & insect repellent
- > Horse will not consume

## Cost Effective Stable Solution

- > Super Absorbent - ensures no waste is missed
- > Significantly reduces waste volumes
- > 100% biodegradable, flushable & decomposes rapidly into quality compost
- > Dramatically reduces labour costs
- > Logistically easy to handle in 15kg or 20kg bags
