Equi-Jewel®

The Ultimate Conditioning Supplement

Equi-Jewel is the leading conditioning supplement with both research and industry proven results.

- Increase 'top line' and muscle
- Palatability proven with 19% fat content guaranteed
- No additional oil required
- Low feeding rate and high digestibility provides for an economical calorie supplement - as little as 250grams up to 1kg required for outstanding results
- Encourage poor doers and picky eaters to clean-up their feed
- An energy source without the risks often associated with feeding grain
- Most importantly - Horses love it!
