

Corumbene Stud

where winners are bred

At Corumbene Stud we're proud of our success on the track and through the sales ring. The 2010 Inglis Easter Yearling Sale gives us the opportunity to present an exceptional crop of horses by equally exceptional sires. Among our latest successes are champion 2YOs Hasna and Sebring, the latter consigned by us at the 2007 Magic Millions Premier Sale and sold for \$130,000. Your inspection is warmly welcomed.
