

USED AND RECOMMENDED BY LEADING THOROUGHBRED FARMS

# THE SAFEST FENCING

- ◆ The strongest and most durable fence construction for horses
- ◆ Heavily galvanized for long life
- ◆ Quickly and easily erected
- ◆ Low maintenance
- ◆ Be confident in the knowledge your valuable bloodstock is not only secure but also safe from predators
- ◆ Diamond Mesh fencing construction is safe, strong and flexible, it does not rust or break, nor sag or roll up at the bottom
- ◆ What price will you pay for the world's best, and proven safest fencing for horses, that will reduce your vet bill and last a lifetime?
